How To Query:

Accepts creative submissions from independent producers and writers for both scripted and unscripted projects. Seeks unique, high concept pitches in all genres in the following forms – TV series, MOW, Specials, Documentaries and Features. Hard copies only will be accepted via regular mail or courier. Asylum does not accept faxed or emailed submissions. Asylum prefers submissions from an agent, manager, or lawyer. Web site emphasizes: 'YOU MUST SIGN THE SUBMISSION AGREEMENT BEFORE WE WILL ACCEPT ANY FORM OF YOUR SUBMISSION.' Pitches are REQUIRED to have a one-page treatment which clearly and concisely describes your idea. Along with the one-page treatment, Asylum accepts any other materials that support your idea, such as demo DVDs, scripts, bibles, or episode/act outlines. No materials will be returned. Do not expect to hear anything for at least 2-4 weeks. Do not call to follow up; Asylum will contact you if interested.
